

CONVERGENCE  
POPULAIRE

Mission | Vision | Values

## MISSION

*The People's Convergence* is a network of individuals and organizations united in the goal that Quebec's plan for a just, inclusive and resilient society be rooted in a culture of empathy, in which humans are a part of nature.

## VISION

*The People's Convergence* advocates the expression of diverse intergenerational, intercultural and interdisciplinary perspectives, relating to issues of social justice, ecological justice and direct democracy. It enables its members to exercise a true collective power, and to make free and well-informed decisions in their effort to bring about, in the short term, the political and economic system transformation necessary to keep our needs within the limits of nature.

## VALUES

*The People's Convergence* promotes the following values:

- coherence,
- integrity,
- transparency,
- fairness,
- attentiveness,
- education,
- solidarity,
- kindness.
